Education

Bachelor Of Engineering in Computer Science   **Madurai**
Velammal College Of Engineering and Technology (Anna University)   **2022 - Present**
- **Current CGPA : 8.49 (upto 7 th sem)**

Higher Secondary Certificate (HSC)   **Thondi**
Al-Hilal Matriculation Higher Secondary School   **2020 - 2021**
- **Percentage : 93**

Secondary School Leaving Certificate (SSLC)   **Thondi**
Al-Hilal Matriculation Higher Secondary School   **2018 - 2019**
- **Percentage : 92**

Academic Projects

Financial Tracker App (MERN Stack)   **Feb 2025 - Mar 2025**
- Developed a financial tracker app for women with features like Investment analysis, expense tracking, SIP/EMI calculators, and gamified financial education.
- Achieved a user-centric design with a focus on data privacy, accessibility, and predictive analytics during the Infosys Springboard iAccelerate Women's Hackathon 2025.

Instagram Clone (Figma)   **Jun 2024 - July 2024**
- This project focuses on creating the UI/UX for an entertainment platform that offers improved features such as music and movie streaming.
- Users will have the ability to listen to music, watch films, create playlists, and discover content through an easy-to-use and visually attractive interface.

Online Food Ordering Website (PHP)   **Apr 2024 - May 2024**
- The system supports various user roles, including Admin, Restaurant Owners, Customers, and Delivery Personnel.
- Restaurant owners can add, change, or delete menu items, oversee customer orders (pending, preparing, ready), and monitor order statuses. The system integrates with payment gateways like Stripe or PayPal, allowing customers to make secure online payments. The payment status is updated in the database, ensuring smooth order processing and transactions.

Internships

                                                                                         Oct 2024 - May 2025
Newrta Solutions Private Limited (Chella Softwares) , Madurai
- Develop and design a **Raise-My-Voice** (Sexual Harassment at Workplace) platform for working women to file complaints when they experience harassment at the workplace.
- Monitor and manage the complaints and take action based on the issues raised by the victim.
- Multiple committees can log in, register their credentials, and handle the cases accordingly.

Certifications and Awards

- Completed **TCS iON Career Edge – Young Professional** certification by **Tata Consultancy Services (TCS)**.
- Completed **Introduction to AI** certification by **Infosys Springboard.**
- Completed **Foundation of UI/UX Design** certification by **Coursera**.

IEEE Publication

- "**Agri Voice**: **Empowering Farmers Through Voice-Based Direct Marketing**" - a voice-enabled IVR solution for rural farmers using Twilio, Google Speech API, and Firebase.
- Achieved 95% voice accuracy, 75% adoption rate, and 30% increase in farmer profits through inclusive, internet-free access.
